

MARYLAND MUNICIPAL LEAGUE
The Association of Cities and Towns

TO: Maryland Municipal Leaders

FROM: Scott A. Hancock

SUBJECT: Latest Information on the H1N1 Virus

As concerns continue to rise over the spread of the H1N1 virus (also known as swine flu), the Maryland Municipal League wants to ensure that its membership has access to the latest up-to-date information and resources. According to the latest Centers for Disease Control and Prevention (CDC) update, four cases of H1N1 flu infection have been diagnosed in Maryland and 279 cases nationwide in 36 different states. To help you stay apprised of the latest developments, MML encourages you to periodically visit the following websites:

The CDC's H1N1 page at: <http://www.cdc.gov/h1n1flu/>;

The U.S. Department of Health and Human Services Pandemic Flu website:
<http://www.pandemicflu.gov/> and,

The Maryland Department of Health and Mental Hygiene's webpage at
<http://www.governor.maryland.gov/flu/index.html>.

The State of Maryland has also set up a 24-hour Toll Free Swine Flu Hotline at 1-877-MDFLU4U (633-5848).

Please contact any member of the MML staff if you need assistance with this or any municipal matter.

Stay well!
