Old Business

Discussion Regarding the Administration of Easements in Charlestown – Mr. Pumpaly reported that he spoke with Greg Speakman at Ryan Homes and they have agreed to take the fence down, complete the grading, and return the fence to its previous location at their expense. Ursula Boudart expresses that the agreement should be put in writing so that everyone involved is clear on how the grading will be completed. There was then discussion about the allowance of the fence in the easement and understanding that, in the future, it would be the homeowner's responsibility to remove or move and replace the fence.

*Note: The tape ends during this discussion.

There being no further business it was moved to adjourn the meeting and all agreed.

Respectfully submitted by Christina Jackson; Town Clerk.
