Please be mindful of the dates for yard waste and bulk. Do not put these items out far in advance of the date of pick-up. Doing so invites animals to pick through it or try to nest, becomes overly waterlogged and extremely heavy and generally creates an eyesore. Thanks!

Would you like to join the ranks of the Charlestown Volunteer Fire Department? Give them a call on the non emergency number of 410-287-6451 to find out the requirements.

**YARD WASTE** will be collected by the Town Staff on the **2nd and 4th Monday of each month.** Grass, leaves,

clippings, are collected in brown bags (preferred) (only filled with yard waste). Small limbs or branches not more than 3" in diameter, cut into 4ft lengths are accepted tied in bundles. Anything larger or in excess of 20lbs will not be picked up.

**BULK TRASH** will be picked up by **appointment** on the **last Wednesday of each month** by Town Staff. This service is for residents to dispose of a **few** large items, not a full clean out. Call Town Hall at 410-287-6173 or stop in to sign the bulk list.

Cars continue to be a prime target of thieves. Remember to keep those windows up and doors locked! If you experience a loss or a break-in or attempted break-in please let the authorities know.
