

Town of Charlestown, Maryland
Maintenance Report for February 2025

1. Removed lights from the cemetery fence, town hall roof, and ice house that were part of the Cecil Lights Winter Nights display.
2. Thawed out the meter crock due to a damaged water crock, which caused the setter inside to freeze.
3. Repaired and straightened the historic sign in front of the church, which had been struck by a vehicle.
4. Seeded and mulched an area affected by a water leak in Trinity Woods.
5. Replaced the motor on the chemical pump with a DC volt motor at the water tower.
6. Set up barricades and posted no parking signs for the Ice Splash event.
7. Replaced the gate at Fair Green Park and repaired slats in the playground fencing.
8. Salted and plowed roads in preparation for winter weather throughout the month.
9. Replaced additional water meters and radios, connecting existing radios where necessary.
10. Removed banners that were blown into telephone wires by the storm across town.
11. Cleared tree debris from Fireman's Field and Foot Log, which was handled by Cecil Tree Service.
12. Conducted weekly trash collection in parks and public spaces for Trash Tech's pickup every Wednesday.
13. Performed two brush pickups and collected bulk waste as needed throughout the month.
