

Maintenance Report for April

1. Trimmed vegetation on both sides of Cool Springs Road bridge and in rock areas to ready for engineer inspection. New inspection date to be scheduled.
2. Installed four new water meters at four different locations for various reasons.
3. Removed two water meter crocks on Frederick Street due to service upgrade and new homes.
4. Filled in the area where a leak took place on Cool Springs Road. Seeded and strawed in the same area.
5. Mulched Fair Green Park before Easter Egg Hunt took place. Built and replaced the gate with a new aluminum gate at gazebo due to constant damage to the wooden gate.
6. Filled sink holes in the Cool Springs Community on Grace Road and Cool Springs Road.
7. Removed and repaired ladder at boat ramp and added new 6" X 6" at side that was getting hit.
8. Serviced mowers and changed blades on lawn equipment for the mowing season.
9. Replaced more boards on C-Dock where they were broken or split and repaired two leaking spigots.
10. Cut and trimmed park areas where Town maintenance staff is responsible.
11. Completed two yard waste collections and bulk when out.
