

## Maintenance Report for May

1. Installed flags around the cemetery for summer holidays.
2. Built shelves for wreaths to be stored on and new door for front of the Boat House at 630 Water Street.
3. Installed new ladder at C-Dock. Also moved a ladder and repaired a water pedestal.
4. Trimmed trees on Edgewater Drive and 630 Water Street by the Town Pier.
5. Removed wood from trees Cecil Tree Service cut at Edgewater Avenue, Cather Avenue and 630 Water Street.
6. Our team assisted with a water leak at Manor Avenue both shutting water off and returning water service to the area when the repair was completed.
7. Installed benches at Avalon Park and the Ice House. This included concrete bench pads, seeding and straw at the disturbed areas.
8. Painted restrooms at Veteran's Park, inside stalls, walls and doors.
9. Replaced belts and blades on the Scag mower.
10. We marked all the Miss Utility tickets for water locations this month.
11. We issued water shut off notices and did water turn offs for non-payment.
12. The maintenance crew cut grass and trimmed all areas of responsibility including ditches and swales.
13. Completed two yard waste collections and bulk pick-ups for May.
