

Town of Charlestown, Maryland
Maintenance Report – October 2024

1. Installed missing banners that had fallen or were torn.
2. Disassembled old bleachers and disposed of them at the landfill, which were located behind our shop.
3. Dug holes for tree replacements at Avalon and the town pier and removed a stump in the same area.
4. Removed an old cabinet from the water tower and installed a new one inside the tower.
5. Took down abandoned poles at Avalon that were left by Delmarva.
6. Completed painting of walls and pipes in the water outbuilding.
7. Trimmed back trees on Frederick Street to maintain the right-of-way.
8. Set up a new dog waste station near the tennis court area.
9. Established road closures for trunk or treat event in various parts of town.
10. Excavated a section of the sewer line at Veteran's Park for potential relocation of the pump station.
11. Cleaned and reorganized the shop and yard in response to the newly paved areas and storage spaces.
12. Carried out bulk trash and yard waste collections for the month and conducted a beach cleanup.
